

# Protecting Your Information Begins with Your Browser

## Recommended Browsers

<https://www.COEnroll.com> is currently compatible with the following major browsers:

- Microsoft Internet Explorer®
- Google Chrome®
- Mozilla Firefox®
- Apple Safari®

Please Note: <https://www.COEnroll.com> commonly supports the most recent version and the previous version of the above browsers. For example, customers that utilize the Internet Explorer 7 browser may recognize some capabilities no longer function properly on <https://www.COEnroll.com> due to a limitation from a Microsoft® update. In order to have the best online experience, we suggest upgrading to a more recent version or using a different browser.

To upgrade your browser, please select one of the following:

- [Internet Explorer](#)
- [Chrome](#)
- [Firefox](#)
- [Safari](#)

In order to help preserve your privacy when using a public computer, we suggest you always clear your browser history and close the browser when you're finished.

## Viewing Electronic Documents

In order to view your documents electronically, you will need software that enables you to view files in the Portable Document Format (PDF). If you do not have a PDF Reader installed on your computer, you may download a free copy of [Adobe Reader](#).
